O R D E R

On April 20, 1998, Webster County Water District ("Webster Water") filed an application with the Commission requesting a Certificate of Public Convenience and Necessity to construct additions and improvements to its water service system, an adjustment of rates, and authority to issue certain securities. In its filing, Webster Water requested permission to deviate from the requirements of 807 KAR 5:001, Section 6.

807 KAR 5:001, Section 6, requires the submission of a detailed financial exhibit for the period ending not more than 90 days prior to the date of the application. Having reviewed the filing and being otherwise sufficiently advised, the Commission finds that the information filed therein is sufficient to enable the Commission to review adequately Webster Water's filing. Therefore, its request for permission to deviate from the above-cited regulation should be granted.

IT IS THEREFORE ORDERED that Webster Water's request for permission to deviate from the requirements of 807 KAR 5:001, Section 6, is hereby granted.

Done at Frankfort, Kentucky, this 11th day of May, 1998.
